## ADVERTISEMENT

Akwa Ibom State University of Technology (AKUTECH) is a state-owned Research and Development-oriented University, poised to be private sector-driven engaging in academic programmes with rapid socio-economic impact.

To accomplish this mission, the University requires highly trained and knowledgeable academic staff in various disciplines, especially in Science, Engineering and Technology.

We emphasize external collaboration within academia; linkages with industries; and extension services to Government for sound and sustainable natural resources and infrastructural development, through the provision of expertise.

In view of the above, applications are hereby invited from suitably qualified candidates to fill the following academic positions:
